1st November 2025

Dear Mr. Kwei-Nortey,

Termination of Employment

This letter serves as formal notification of the termination of your employment with Ampah Prah Mortuary, effective immediately.

This decision has been taken due to your unacceptable conduct and neglect of duty while on assignment. It has come to management's attention that you left the facility unattended, consumed alcohol during working hours, and treated clients and visitors with disrespect and indignity. These actions constitute gross misconduct and a serious breach of company policies and professional ethics.

Ampah Prah Mortuary maintains a high standard of professionalism and care in dealing with grieving families and the public. Your behaviour has not only violated these standards but also brought disrepute to the facility.

You are therefore directed to hand over any property or materials belonging to Ampah Prah Mortuary to the management immediately. Any outstanding remuneration due to you up to the date of termination will be processed accordingly.

We regret that this action has become necessary, but it is taken in the best interest of the facility and its reputation.

Yours sincerely,
George Appiah Prah
Manager
